STRESS RELIEVERS

Stress reliever items are not toys or suitable for children or pets. Due to the characteristics of stress item material (PU) adequate force may cause them to tear especially on shapes that have size variations like necks, arms, legs and ears. This is not a fault of the product, and no claims will be considered.

Stress item are meant to be squeezed not pulled always ensure you client sees a sample and reads this disclaimer. Stress relievers are made by hand and no two pieces are exactly the same. It is impossible to guarantee a consistent, uniform print. Broad print areas may break up and print may not be solid. We cannot guarantee colour matches. If in doubt, we recommend ordering a pre-production proof (at extra cost).
